

2020 “I Care” Program

- Because of COVID-19, some things are different this year for I Care.
- Your request form is due to Sieda (Regina) by Monday, **November 16.** We will **not** take late forms other than those new to the program. That is why we are mailing this information to those with current addresses. You might mention to others. Sieda has blank forms, also.
- Please list items that are attainable. For example, we would not be able to provide iPods, PlayStations, computers.
- The more specific (by giving actual name) for CDs, DVDs, etc is helpful. To say “Country Music” doesn’t help, generally.
- Pickup Date at the 4-H Building at the Fairgrounds is

Friday, December 18 8:30 till 2 p.m. **Drive-Thru Pickup**

- **You will drive through the fairground gates, be given a family #; you then drive up to the door that you generally went through. Instead of going in, stop by the door (signs will be placed). We will bring food and gifts out to your car. Have your car ready for things to be placed in it. It is okay if you are picking up for others. Do not get out of the car. We prefer the driver wears a mask. We will be wearing masks.**
- **For those not picked up by 2 p.m., we will take the presents to the SIEDA building where you can pick them up. We cannot keep the food boxes, however. So, any food boxes not picked up at the 4-H building will be given away. PLEASE make sure that your sheet has a working number that we can contact you with.**

Keep This Note as a Reminder!!!!

Davis County "I CARE" Christmas Project Information Release Authorization

Due Nov 16
