Please describe why you are interested in serving as a member of the Sieda Community Action Board of Directors:

I think that one the things is that I like to help people, especially when they have a need. I also want to learn more about Sieda Community Action.

Please describe any experiences, training, or education you feel has prepared you to serve as a member of the Sieda Community Action Board of Directors:

I have been working in the WIC office for the past seven years. There I have participated in parades and promoted the WIC program and worked with Spanish and American low-income families to help enroll them in the program, help those with Medicaid and help them to make doctors and dentist appointments.

Please describe your experience and interest in working with people living in poverty:

As I said before, I have been working with low-income families for the past seven years. I have come to understand how to manage their needs and help them in whatever way I can.

How do you feel Sieda Community Action would benefit from your involvement on the Board?

Because I'm bilingual and I have been working with low-income families, some since more than seven years ago, I have experience how talk to them and handle some private information and sharing their needs with board members.

If you are completing this questionnaire for consideration as a director in the low-income sector, your responses to these questions will be shared with the public. Sieda Community Action will not share personal contact information or the responses to question related to judgments, indictments, debarments, or terminations of public transactions.

Thank you very much for your interest in Sieda Community Action
