

## 2021 “I Care” Program

- Please have request sheets turned in by November 22. The community will start asking for names the middle of November. The sooner we have your form, the sooner your family can be adopted. Any turned in late will receive a gift card, not gifts unless you are new to the program.
- Please list items that are attainable. For example, we would not be able to provide iPods, PlayStations, new computers.

- The more specific (by giving actual name) for CDs, DVDs, etc is helpful. To say “Country Music” doesn’t help, generally.

- Pickup Date at the 4-H Building at the Fairgrounds is . . . . .

**Friday, December 17 8:00 till 2 p.m. – Drive Through**

- **For those not picked up by 2 p.m., we will take the presents to the SIEDA building where you can pick them up. We cannot keep the food boxes, however. So, any food boxes not picked up at the 4-H building will be given away.**
